# BRUSH AND BAG PROCEDURES

*Our village provides removal of brush and bags for our residents. While we encourage you to take advantage of this great service, there are several guidelines for you to follow to make it as efficient as possible.*

- Brush and bags must be out the night before or by no later than 6:30AM the of that Thursday's pick-up for that month.
- Raking or blowing the leaves to the curbs is **NOT PERMITTED** and will not be picked up by the village.
- There will be no return trips or doubling back for calls regarding missed pick-ups or late callers. There are 6 workers on the trucks doing the pickups and it is highly unlikely that we are missing any piles or bags.
- Typically, there are 2-3 vehicles making the rounds. 1 is dedicated to for brush with a woodchipper in tow and 1 is for bags.
- Brown paper recyclable lawn and leaf bags are the only types of bags permitted to be picked up and used for yard clean ups.
- No tree stumps of any kind are accepted.
- The workers will leave your bags if there is evidence of improper materials stored: sticks, planter, excessive soil, rocks, etc. The intended materials are not heavy and should not make the workers struggle to get them in the truck.
- These rules are promulgated by **MANCHESTER TOWNSHIP**, and they can revoke our dumping privileges if they are not abided by.
- Brush is to be left in neat piles by the curbside, on the lawn.
- The brush will be picked up and chipped up as we make our way to your unit.
- Excessively large piles of brush may not be picked up. If it appears that the brush piles were left by a subcontractor or hired handyman, a call will be placed to the resident, as it is pretty obvious when this occurs.

**FROM THE RESIDENTS CLUB**

Hi Everyone! For members who missed the September meeting, the featured speaker from Meals On Wheels was very informative. You can learn information on the program at our next meeting. Our October meeting welcomes the Cameo Girls, who will entertain us with their many talents.

On Saturday October 19th our "Fright Night Halloween Dance" will bring out the guys and ghouls! Music by DJ Johnny and a performance by Troupe Fantasia will round out the evening. We will be serving a sampling of appetizers provided by BAHAMA BREEZE. Come to dance or socialize, it will be a 'boo-tiful' night!

See our flyers in this issue for more information. As always, new members are very welcome.

Warm regards,  
Linda T.

## *Everything you need to know about October*

### *October Calendar*

- **October 2** starts **Rosh Hashanah**, a Jewish holiday that marks the beginning of the new year
- **October 9** is **Leif Eriksson Day**. Who was Leif Eriksson, and why was he important?
- **October 11** marks the start of **Yom Kippur** at sundown.
- **October 14** is a busy day, with three more holidays packed into it:
  - **Canadian Thanksgiving**. This holiday shares many similarities with its American equivalent. However, there are a number of things that set the Canadian Thanksgiving apart!
  - **Columbus Day (U.S.)**, a federal holiday, is observed on the second Monday in October. It was on October 12, 1492, that Christopher Columbus landed on a small island in the Bahamas, convinced that he had reached Asia
  - **Indigenous Peoples' Day (U.S.)**—a holiday that celebrates the history and cultures of indigenous peoples native to what is today the United States. Indigenous Peoples' Day is celebrated in cities and states across the country, often alongside or in lieu of Columbus Day
- **October 18** is **St. Luke's Little Summer**. This is a date steeped in folklore. Traditionally, around Saint Luke's feast day, there is a brief period of calm, dry weather
- **October 24** is **United Nations Day**, which aims to bring awareness to the work of the United Nations worldwide
- **October 31** is **Halloween (All Hallows' Eve)**

### **October Meteor Showers**

Also, keep an eye out for the **Draconid meteor shower** in the late evening of October 9, and the **Orionid meteor shower** in the predawn hours of October 21–22

## CRAFTY LADIES OF HARMONY HALL

The ladies have been very busy using the donated yarns. Some Afghans that were started but not completed were taken home and reworked into lap blankets for donation. Other balls of yarn were pieced together to make scrap Afghans, done as a continuous granny square, incorporating all the various colors to make a unique design. Our quilters include one who is a beginner and completed her first quilt entirely hand sewn! Embroidery hoops capture the fine

stitches expertly crafted into detailed masterpieces. Hooks and needles and looms have all been busy. If you enjoy a craft, used to craft, or want to learn a craft, or just enjoy some lively conversation, (except for politics or religion!) join us on Thursdays at 1:00 at Crestwood Village Two Clubhouse, Harmony Hall, Whiting, New Jersey.

## TIME TO CLEAN YOUR DRYER VENT? YES, EVERY YEAR!

Ensuring your dryer vents are clean is essential for your safety and the efficiency of your dryer. By understanding the benefits of regular cleaning and the differences between DIY and professional services, you can make informed decisions to protect your home and family.

Remember, a small investment in cleaning now can save you from costly repairs or even potential disasters in the future.

### Benefits

- Preventing Fire Hazards: Blocked vents can cause lint buildup, leading to potential fires
- Improving Efficiency: A clean vent ensures proper airflow & efficiency
- Extending Dryer Lifespan: Regular maintenance can help prolong the life of the dryer

### Signs to look out for

- Clothes Taking Longer to Dry
- Excessive Lint Build-Up: Check the lint trap after each cycle. If you discover excessive lint accumulation, it's likely that lint is also clogging your dryer vent
- Burning Smell: A burning smell when you run the dryer could indicate lint build-up. This poses a significant fire hazard.

Crestwood 2 residents may simply submit a work order to the maintenance department to have the dryer vent cleaning service performed for \$25.

*Thank you.*
